Contact Email: beth@mmcts.com

Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency band that does not currently have hearing aid compatibility technical standards have clear and effective disclosure that the handset has not been rated for hearing aid compatibility with respect to such operations? Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those

models, and an explanation of the rating system? No

Website address:

Explain: Due to the fact we are a very small company, we do not have a public website.

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: We run updates on our local channel television station & since our office is located within City Hall, we have an update board where we post consumer updates.

Methodology for Functionality Levels

It is based on the features, capabilities & cost.
